- 4.5 Where the Equipment has been damaged or destroyed, the Customer will be liable to pay the Fee for the greater of:
 - (a) the Term;
 - (b) the period commencing on the commencement of the Term and ending on the date upon which repair or replacement of the damaged or destroyed Equipment has been completed and the Equipment is returned to its condition at commencement of the Term (the Equipment being deemed to be in the Customer's possession until the Equipment is repaired or replaced, except where the Owner is satisfied that the damage to the Equipment has occurred not as a result of any act or omission of the Customer).
- 4.6 In addition to the Fee, the Customer will also pay any levies and taxes charged by the Owner to the Customer immediately upon receipt of an invoice for the same by the Customer, and will pay in addition to the Fee Road User Charges (RUC) and a price per kilometre for maintenance as specified on the front page of this agreement or as otherwise determined by the Owner from time to time.
- 4.7 Before commencement of the Term or at any other time requested by the Owner, the Customer will provide to the Owner a bond in cash in the amount specified as the Bond on the front page of this agreement ("the Bond").

- 4.9 The use of the Bond by the Owner is without prejudice to any other rights or remedies available to the Owner, including but without limitation under any indemnity given by the Customer to the Owner.
- 4.10 Unless otherwise stated in this agreement, the Equipment is to be returned to the Owner before the time specified on the front page of this agreement on the last day of the Term in the manner described in clause 14. Where the Equipment is not returned by the time specified, the Owner shall have the right to charge the Customer at the half day rate or full day rate or such other rate as determined by the Owner from time to time until the Equipment is returned in accordance with this agreement.

5. **Ownership**

5.1 The legal and beneficial ownership in the Equipment remains with the Owner at all times notwithstanding the possession and use of the Equipment by the Customer.

6. **Risk and insurance**

6.1 From commencement of the Term until the end of the Term, or until the Equipment is returned to the Owner (whichever is later), the Equipment is at the Customer's sole risk. Except where the Customer's liability is limited pursuant to the provisions of clause 7, the Customer is responsible for all loss or damage whatsoever to the Equipment.

6.2 If it has not been indicated on the front page of this agreement that the Limited Damage Waiver will apply, or if for any other reason the Limited Damage Waiver does not apply, then:

- (a) The Customer is responsible for all loss or damage whatsoever and howsoever caused to the equipment;
- (b) ;The Customer must at the Customer's cost insure the Equipment for its full market value effective for the Term with a suitable insurance company, in the Owner's name, and against all risks including but not limited to fire, theft, accident and damage to the Equipment or to other property;
- (c) In addition to any other requirements specified in writing by the Owner from time to time, the Customer must:
 - (i) Ensure that the insurance policy is a full replacement insurance policy that provides for a maximum excess of \$5,000 (which is payable by the Customer in addition to all premiums) including without limitation coverage for hire charges, transit costs and public liability. Without limiting the Owner's right to claim loss of revenue from the Customer, the insurance policy must also include, at a minimum, coverage for the Owner's loss of revenue while the Equipment is being repaired or replaced;
 - (ii) Make a claim at any time the Equipment is destroyed or damaged or at any other time directed by the Owner, and if required by the Owner will agree to the Owner making a claim or continuing any claim already made by the Customer, and transferring to the Owner all rights under its policy.
 - (iii) If any money is paid to the Customer by the insurance company pursuant to any claim or otherwise, the Customer shall be deemed to hold that money in trust for the Owner and shall immediately pay such money to the Owner.
 - (iv) Provide to the Owner immediately upon request evidence of insurances taken out which must be acceptable to the Owner in all respects. The Owner reserves the right to not allow the Customer possession of the Equipment until evidence of insurance on terms acceptable to the Owner is provided by the Customer to the Owner.

6.3 If for any reason the Customer is in breach of this clause 6 and or does not hold the required insurance, or the Customer's insurer does not pay out on the relevant policy, the Customer warrants that it will personally be responsible for all obligations set out in this clause and that it will pay to the Owner the full market replacement value of the Equipment (as notified by the Owner) immediately upon written demand being made by the Owner.

7. **Insurance charge**

7.2 The Limited Damage Waiver applies only to loss or damage to the Equipment and not to any consequential losses, and does not limit, prejudice or affect any other obligation the Customer has under this agreement.

7.3 The Customer acknowledges that the Limited Damage Waiver will not apply where the Customer is in breach of any term of this agreement, or where the Owner's insurance policy does not cover the damage or loss for any reason including but not limited to loss or damage resulting from any negligent or intentional act or omission by the Customer, or where any proceeds received from the Owner's insurance is in the opinion of the Owner insufficient to cover the repair or replacement of the Equipment.

7.4 The Customer must notify the Owner of its intended use and location of the Equipment prior to commencement of the Term to determine whether this will affect the Owner's insurance policy.

7.5 If the Equipment is destroyed or damaged and any insurance money paid to the Owner is, in the opinion of the Owner, adequate to replace or repair the Equipment, the Owner will apply the insurance money for this purpose. Without affecting any other obligations of the Customer under this agreement, the Customer will pay to the Owner any shortfall between the insurance proceeds received and the cost to the Owner of replacing the Equipment with like equipment or repairing the Equipment.

7.6 If in the opinion of the Owner the insurance money received is not adequate to repair or replace the Equipment then the Owner may choose to terminate the agreement. Termination will not affect any rights, remedies, obligations or liabilities of either party for any act, omission, or other matter whatsoever arising prior to the termination of the agreement.
